

Get business-class email with Exchange Online Plan 1

Get the new Exchange as a hosted service from Microsoft or as a part of an Office 365 Business Premium plan that includes SharePoint and Skype for Business and more. Exchange Online 1 offers the following

- Large mailboxes

Each user gets 50 GB of mailbox storage and can send messages up to 150 MB in size.

- Outlook support

Users can connect supported versions of Outlook to Exchange Online, so they can use the rich client application they already know. Compatible with Outlook 2007 onwards and Windows 10 Mail App.

- Web-based access

For web-client access, Outlook on the web provides a premium browser-based experience that matches the look and feel of the full Outlook client.

- Outlook app

Get more done on your phone and tablet with the Outlook app for iOS and Android.

- Inbox management

Stay focused on the most important messages with Clutter, which applies machine learning to clean up your inbox and set up rules that match the way you work.

- Shared calendar and contacts

Compare calendars to schedule meetings and access collaboration features, including shared calendars, groups, the global address list, external contacts, tasks, conference rooms, and delegation capabilities.

- Security

Every mailbox is protected with premier anti-malware and anti-spam protection via Exchange Online Protection.

- In-Place Archive

Keep your inbox clean by automatically moving old messages to an In-Place Archive.
